- Virtualization Technology
- System Administration
- Mobile Application Development
- Full Stack development
- DataBase Management
- Power Apps
- Power Automate Desktop
- Power Automate Cloud

Profile

Passionate and driven Information Technology student specializing in Software Engineering at Ngee Ann Polytechnic, seeking internship opportunities to apply and expand my software development skills. With hands-on experience in developing web and mobile applications through coursework, I am eager to contribute to innovative projects in tech companies by leveraging my problem-solving abilities, teamwork skills, and a keen interest in building robust, user-friendly software solutions.

Awards & Achievement

- Scrum.org – Professional Scrum Master™ I (PSM I)
- EC-Council – Certified Secure Computer User (CSCU)
- EC-Council Certified Security Specialist (ECSS)
